**Lead Instructor:** Scott Gall

[lso\\_referee@yahoo.com](mailto:lso_referee@yahoo.com)

LSO is proud to provide SAY Soccer Referee Training for this coming Spring season. The Course is designed for new referees and returning referees. For the returning referees, you must attend class once per calendar year, and take/pass the required test. If you do not attend the class you will not be allowed to take the test or referee this Spring. Please plan ahead and set your schedule early.

**Age Requirement** – For LSO you must be 13 years old prior to the end of the year. Check with your home organization if not from LSO.

## **Who needs to take the class?**

All new and returning referees that do not have a referee badge with the word “CERTIFIED”, “STATE” or “NATIONAL” on it must take the class and pass the appropriate test one time per calendar year. You should take the test on your anniversary season each year, Spring or Fall. If it has been more than a year since your last class and you do not have a CERTIFIED badge you can take the test anytime.

If you do not know when your anniversary season is you can check with me (Scott Gall) and if I have the information I will provide it. If I do not have the information then you will need to take the class and test. Again you must attend the class in order to take the test.
